

# EC BOCES Principal Cluster MEETING AGENDA

**Date:** Wednesday, September 20, 2023

**Time:** 9:00 am to 2:30 pm

**Bring:** Laptop/Device

TIME	ITEM	Presenter
9:00 am	Welcome, Introductions, Purpose and Commit Video	Traci Weisensee
9:30 am	<b>Zspace Updates and Demonstrations for Principals</b> Zspace allows teachers to deliver an interactive learning experience for your students. It gives links to lesson plans and allows teachers to develop their own lessons. It is valuable for principals to know what Zspace can do.	Jack Daly EC BOCES
10:30 am	<b>Break</b>	
10:45 am	<b>Introduction to Book Study: What We Say and How We Say It Matters</b> What teachers say to students, when and how they praise or discipline, give directions or ask questions, and introduce concepts or share stories – affects student learning and behavior. This book helps teachers examine their language habits and intentionally improve their classroom language. JaLee led this book study with her staff and will briefly lead principals through it and the effects on her staff. A copy of the book will be provided to you.	JaLee Kitzman Bennett School District
Noon	<b>Lunch provided</b>	
1 pm	<b>Artificial Intelligence – ChatGPT – A view of Advantages/Disadvantages</b> ChatGPT is a language processing tool that allows anyone to have human-like conversations and the language model can answer questions and assist you, teachers and students with tasks such a composing emails, essays, etc.	Jarred Masterson
2 pm	Wrap-Up/ Reflections/Complete Evaluations	Traci Weisensee
